THE
REJEKTS!**

Cloud Native Rejekts is the b-side conference giving a second chance to the many great, but rejected, talks submitted to KubeCon. Your support provides the cloud native community a forum for these discarded voices and ideas.

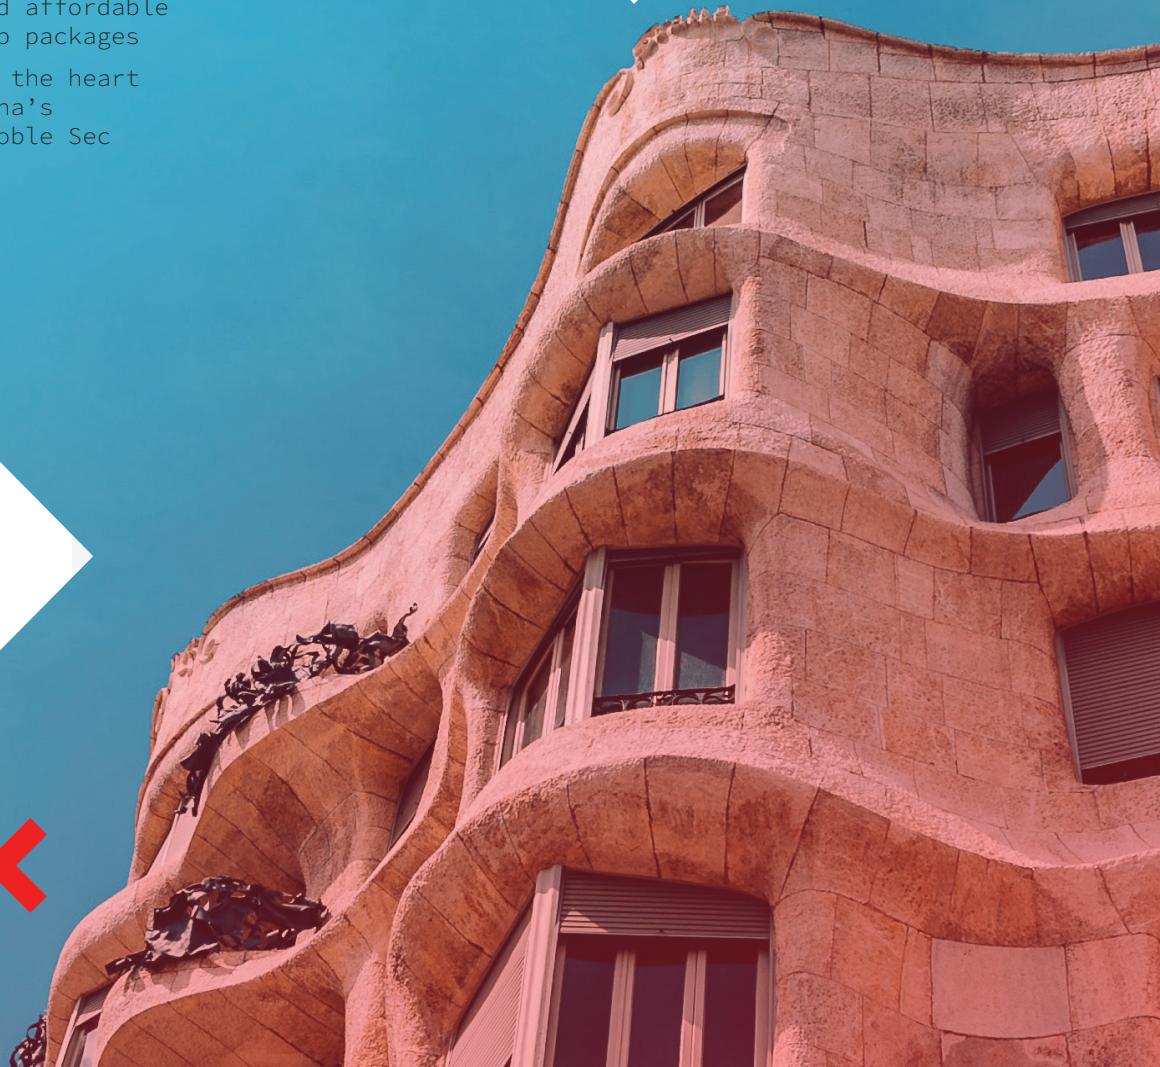

Sponsoring Cloud Native Rejekts not only supports the wider cloud native community leading into the week's main event. It's also a chance to present your company, product, and messaging in a more relaxed and fun setting than the typical trade show.

- ✖ Take advantage of your community outreach in Barcelona by going beyond KubeCon
- ✖ Support some of the over 85% of great, but rejected, talks submitted to KubeCon
- ✖ Become a proud ally for the rejected

CONFERENCE FEATURES

- ✖ Access up to 400 industry professionals
- ✖ Exciting weekend of sidelined talks
- ✖ An opportunity to share, connect, and collaborate in Barcelona
- ✖ Diverse and affordable sponsorship packages
- ✖ Located in the heart of Barcelona's exciting Poble Sec district
